### SUPER BELL'S POWER STOPPER REAR KITS:

Super Bell's Power Stopper Rear Kits are designed to work on Ford's 8 and 9 inch passenger car axles in both large and small bearing types for the 2.36 inch offset. Three different kit stages provide you with your choice of: calipers with out parking brake, calipers with parking brake, and a kit without calipers. Doner calipers can be found on the doner car list below. This kit is easy to assemble and requires no modifications for installation. Brake hose kits are available separately.
